

Dear Parents,

We are happy to start a new school year!

It is through a joint effort and working together as a community, that we will make it through any challenges.

Communication and Flexibility are the two key words. We have drafted this document to make communication fluid and efficient. We love to hear from you!

1 CORRECT EMAIL ADDRESS

Make sure that we have your correct email address. Many general communications, including messages from our Head of School and/or Principals are sent via email. Contact Ms. Carolina Matute (dsoffice@discoveryschool.edu.hn) to update your email. Area principals can also help you with this matter.

2 ALMA ACCOUNTS

It is important that you have your ALMA accounts activated so you can check your child's academic information, calendar, progress reports, among others. Please contact Cesar Morga (cmorga@discoveryschool.edu.hn) to set up your ALMA account.

3 TEACHER'S EMAIL

You can always stay connected with your child's teacher via email (ALMA'S STAFF DIRECTORY) or by visiting Google Classroom inside your child's account.

4

SOCIAL MEDIA

Let us show our Wolf pride! Many events and news are posted to our social media accounts. You can follow us in Facebook (<https://www.facebook.com/DiscoverySchoolHN>), Instagram (<https://www.instagram.com/discoveryschoolwolves/>), and Twitter (https://twitter.com/ds_wolves?lang=en)

5

STAFF DIRECTORY

We have sent via email the complete teaching staff directory for SY 2020-2021. We will be sending them again if there are any updates.

6

ROOM MOMS/DADS

Unofficial classroom or grade whatsapp chats are parent lead. Contact your Room Mom or Dad, if you would like to be included in these chats. The school does not send any official information via these chats, but many parents find them very useful for social connections and general knowledge. Ask your homeroom teacher about the grade's Room Mom or Dad.

7

DPTO

(Discovery Parent Teacher Organization)

Our Discovery Parent Teacher Organization is also a good way to integrate in the community and know more about all the wonderful activities our school parents organize for the school and the students. If you want to join you can email: dptowolves@gmail.com

8

EXTRACURRICULAR ACTIVITIES & SPORTS

We are getting ready to start these activities. If you are interested, contact Ms. Yery Villeda. Email: yvilleda@discoveryschool.edu.hn

9
